♥ QUEEN OF HEARTS

Player Rules

TUESDAY TICKET SALES	TUESDAY DRAWING
4:00–5:45 PM	6:00 PM

$1 each or 6 for $5 | Ages 21+ | **Must be present to win**

How to enter

Write your name, phone number and an unopened board number (1–54) on each ticket. Tickets are valid that Tuesday only. The VFW may reject incomplete, illegible or altered tickets. No transfers, resales or credit purchases.

If your name is drawn

Keep the number on your ticket or pick any other unopened number. A committee member reveals your card. If the person called is absent, another ticket is drawn.

If you find the Queen of Hearts

You win 50% of the final pot, including that Tuesday's ticket sales. A VFW-selected charitable or community cause receives 40%, and 10% starts the next board.

If you reveal any other card

You win the prize on the chart. It comes out of Tuesday's ticket sales before the rest goes into the pot. The card stays face up and out of play.

Committee members and club personnel who help run the game are ineligible. Committee members' spouses, immediate family and household members should get written VFW approval before entering. Winners must provide information needed for tax reporting. Bring disputes to the committee before the end of drawing night. Sales are final except when a refund is required.
